Anna Russian	Slicer	Heirloom	Indeterminate	Mid - 70 days	Red	Russian heirloom; large pinkish-red, "oxheart" type, 6-12 oz. fruits; juicy, old fashioned flavor
Beaverlodge	Slicer		Determinate	Early - 55 days	Red	Compact plant with tons of fruit with better flavor than many early varieties. From Alberta, Canada.
Beefsteak	Beefsteak	Heirloom	Indeterminate	Late - 80 days	Red	Excellent productivity and flavor; 1-2 lb. fruit
Better Boy	Slicer		Indeterminate	Mid - 75 days	Red	Flavorful, classic slicing tomato; disease resistant
Big Beef	Beefsteak		Indeterminate	Mid - 72 days	Red	1 lb., meaty fruit with great, juicy flavor; good productivity and disease resistance; open-pollinated
Big Brandy	Beefsteak		Semi-determinate	Mid - 75 days	Red	Cross of Brandywine and Big Dwarf. 12 to 15 oz. size. Distinctive, deeply pleated fruit. Juicy, sweet with a touch of acid.
Bing	Cherry		Indeterminate	Mid - 65 days	Red	Superior sweetness to other cherries. Great producer in hot, dry climates with some susceptibility to cracking in areas with abundant rainfall.
Black Cherry	Cherry		Indeterminate	Mid - 68 days	Black/Purple	The first truly black tomato; sweet and rich flavor
Black Prince	Slicer	Heirloom	Indeterminate	Mid - 72 days	Black/Purple	Siberian heirloom; medium-sized garnet fruit; rich, sweet flavor
Black Sea Man	Beefsteak	Heirloom	Determinate	Mid - 75 days	Black/Purple	Russian heirloom; 8 oz. fruit
Blondkopfchen	Cherry		Indeterminate	Mid - 75 days	Yellow/Orange	Golden, sweet fruit; productive
Bloody Butcher	Slicer	Heirloom	Indeterminate	Early - 55 days	Red	Open-pollinated; very early and high yielding; strong flavor; 4 oz. fruit; deep red outside and in
Blush	Saladette		Indeterminate	Mid - 70 days	Yellow/Orange	Hybrid; excellent, sweet flavor; bright yellow with red stripes
Brandywine	Beefsteak	Heirloom	Indeterminate	Mid - 78 days	Red	Amish heirloom; large, deep red skin, smooth red flesh; rich flavor; potato leaf foliage
Bush Early Girl	Slicer		Determinate	Mid - 65 days	Red	Extra-large, extra-early tomatoes on a true bush size plant. 18" plants are amazingly compact and self-supporting, yet productive.
Carbon	Slicer	Heirloom	Indeterminate	Mid - 75 days	Black/Purple	Dark, purple-brown, with deep red inside; rich, complex flavor
Caspian Pink	Slicer	Heirloom	Indeterminate	Late - 80 days	Red	Pink, 1-2 lb.; Russian heirloom
Celebrity	Slicer		Semi-determinate	Late - 75 days	Red	8 to 10 oz. fruit. A hybrid that produces long fruit-bearing stems holding 20 or more plump, robust tomatoes.
Champion II	Slicer		Indeterminate	Mid - 68 days	Red	Meaty, high yields, disease resistant, 6-7 oz. fruit; bigger than Early Girl, earlier than Better Boy
Cherokee Carbon	Slicer		Indeterminate	Late - 80 days	Red	Hybrid cross of Cherokee Purple and Carbon. Dark color. Rich, delicious flavor. slightly squat fruit. 10 to 12 oz fruit.
Cherokee Purple	Slicer	Heirloom	Indeterminate	Mid - 75 days	Black/Purple	Tennessee heirloom; Dark purple shoulders, sweet, rich, complex flavor
Cherry Roma	Cherry	Heirloom	Indeterminate	Mid - 75 days	Red	Plum-shaped 1" fruit. Great fresh or dried.
Chianti Rose	Beefsteak		Indeterminate	Mid - 78 days	Rose/Pink	Cross between Brandywine and a treasured "family variety" from Italy. Juicy, flavorful and vigorous
Chocolate Cherry	Cherry		Indeterminate	Mid - 70 days	Black/Purple	Open-pollinated; Extremely flavorful, 1" fruit of dark maroon color; very prolific
Cosmonaut Volkov	Slicer	Heirloom	Indeterminate	Mid - 65 days	Red	Ukraine heirloom; named after famous Soviet astronaut
Costoluto Genovese	Slicer	Heirloom	Indeterminate	Mid - 75 days	Red	Fluted, old Italian variety with some natural blight resistance, meaty, full-flavored, slightly sweet
Dona	Slicer		Indeterminate	Mid - 75 days	Red	French market variety; firm, balanced sweet and acidic flavor; good disease resistance
